

RIDER

TECHNICAL RIDER

We are 3 people on stage; guitar/lead vocals, bass/backing vocals, drum/backing vocals.

- we need 3 vocal mics and a PA with vocal effects: reverb/delay/echo
- we need at least 3 monitors on stage
- 1 guitar amp, 1 guitar external speaker, 1 bass and 1 drum have to be miked (depending on roomsize).

For further details download our Rider/ Patch list here: <http://www.thejackets.ch/download>

PERSONAL RIDER (to make us incredibly happy!)

- we need a free parking space near the venue from arrival till departure
- a warm meal for 3 people at least 2h before showtime (veggie or meat, doesn't matter) or after the show
- a backstage where we can dress and relax, with a mirror, free beers and non alc drinks all night, small catering
- a place for our merch and somebody that can watch it during our show
- at least 4 people that we can put on the guest list
- 3 beers and water on stage during the show
- we like to get payed in cash soon after the show so it's out of the way
- we love a more or less quiet place to sleep with 3 single beds and a bathroom
- if we bring our own mixer we need an extra bed and a decent vegetarian meal.
- if possible we prefer to load the van only the next day before we leave -> can you check with the venue? Thanks!!!
